**Catecismo de la Iglesia Católica**  
**III El Conocimiento de Dios Según la Iglesia Católica**

37. A pesar de que la razón humana, hablando simplemente, pueda verdaderamente, por sus fuerzas y su luz naturales, llegar a un conocimiento verdadero y cierto de Dios personal, que protege y gobierna el mundo por su providencia, así como la ley natural puesta por el Creador en nuestras almas, sin embargo hay muchos obstáculos que impiden a esta misma razón usar eficazmente y con fruto su poder natural; porque las verdades que se refieren a Dios y a los hombres sobrepasan absolutamente el orden de las cosas sensibles y cuando deben traducirse en actos y proyectarse en la vida exigen que el hombre se entregue y renuncie a sí mismo. El espíritu humano, para adquirir semejantes verdades, padece dificultad por parte de los sentidos y de la imaginación, así como de los malos deseos nacidos del pecado original. De ahí procede que en semejantes materias los hombres se persuaden fácilmente de la falsedad o al menos de la incertidumbre de las cosas que no quiescen que fueran verdaderas.

**La Campaña Católica para el Desarrollo Humano**

La colecta de la próxima semana para la campaña Católica para el Desarrollo Humano (CCHD) necesita su ayuda. CCHD fue fundada para romper el ciclo de pobreza en los Estados Unidos otorgando fondos a organizaciones que ayudan a las personas a ayudarse a sí mismas. Con su tradición de mejoras en la educación, en la vivienda y en el desarrollo económico de las comunidades, CCHD continúa teniendo un impacto positivo en las comunidades en todo el país. Su contribución servirá para defender la dignidad humana y llegar a todos los que viven al margen. Por favor, contribuya a la colecta para CCHD.

**Presentación de Beyond War Northwest**

**El jueves, 17 de noviembre** a las 7:00 pm, la organización local Más Allá de la Guerra ofrece una charla para explorar las ideas y las medidas prácticas que podemos tomar para ayudar a la humanidad a encontrar un camino hacia la paz mundial. La Sra. Kara Steffensen y otros miembros del grupo, presentarán varios temas por ejemplo el encontrarse en conflictos es inevitable en la vida, pero el recurrir a la violencia y la guerra no lo son. También hablarán de los principios fundamentales de Más Allá de la Guerra: 1) La humanidad es una sola entidad interrelacionada e interdependiente. 2) El fin no justifica los medios, al contrario, los medios determinan los fines. 3) La guerra es anticuada y obsoleta. Compartirán consejos prácticos para resolver los conflictos personales y como mantener una actitud de buena voluntad hacia los demás. La charla concluye con ideas de cómo podemos unir nuestros esfuerzos para construir un mundo futuro sin la guerra.

**† XXXIII Domingo de Tiempo Ordinario †**  
**Lucas 21,5-19**

Hoy Jesús habla de cuando lo que pasara cuando el regrese. Y también les dice que estén preparados y que muchos vendrán usurpando su nombre.

**Muchos vendrán y llamarán a la puerta de tu casa, especialmente los domingos y dirán que van a enseñarles el verdadero cristianismo, les dirán que estudien la Biblia con ellos porque tienen la fórmula infalible para salvarse, otros dirán que estamos entrando en una nueva era de amor y paz, y que hay muchos maestros e instructores reencarnados, que dirán: Yo soy el Mesías, el tiempo ha llegado pero no les hagan caso.**

**Campaña "Primeros 1000 Días"**

**Cultura de Iniciativa Católica de Vida**

**Donde todos son acogidos y amados por la misericordia**  
**Día 609 ~** Perder la paz interior no vale la pena, especialmente cuando nos enfrentamos a los retos que trae la crianza de los hijos. Hay que tomar las medidas necesarias de acuerdo a las circunstancias, pero nunca renunciar a su paz interior. Deténgase. Respire profundamente. Cierra los ojos y respire profundamente otra vez. Entonces, y sólo entonces, desde un corazón sereno, **tome las medidas que tiene que tomar.**
