

## **Vicariate Level of the Synodal Process at St. Paul Parish.**

At the vicariate meeting, on Saturday, May 14<sup>th</sup> 2022, we had council member and priests gathered to discuss the results of the parish prayer and listening sessions. We were instructed to try to tease out and summarize what was gathered into just a few themes. This is what we came up with at our table:

### Summary of Themes:

1. Desire for frequent availability of Sacraments reverently and beautifully celebrated.
2. Desire for vibrant, welcoming, and Christ-centered communities.
3. Desire for the Church to facilitate personal encounter with God.
4. Desire for an accountable and holy clergy.
5. Desire for a Church that invests in the youth.
6. Desire for every member of the Church to recognize they are part of a catechizing and outreaching Church.
